

# CAPABILITY STATEMENT

## Indiana's Elite Cleaning, LLC

### COMPANY OVERVIEW

Indiana's Elite Cleaning is a professional minority owned cleaning company. Our Comprehensive services concept was developed by next level leadership professionals while incorporating innovative methods of operation.

IEC offers clients the ability to bundle a wide variety of cleaning services. Our attention to detail, team unity, and professionalism are the values that elevate us past your more common cleaning companies.

IEC is dedicated to being the one-stop-shop vendor so our customers can rest assured that their needs are being completed by the same company. This allows us to give our clients the quality and consistent workmanship they deserve at industry standard and affordable rates.

### CORE COMPETENCIES

All Indiana Elite Cleaning customers deserve and are given a hassle-free introduction to our SOP's. From our customer's initial call, site review, service proposal, and ultimately the providing of one (1) or multiple services, our customers will be fitted with the right professional team and feel confident in choosing us.

Indiana's Elite Cleaning is backed with a family history of janitorial services in Northern Indiana. IEC is passionate about providing clean environments in the areas that they serve, while providing opportunities to minorities as well as individuals reentering the workforce.

The company has seen rapid growth, including clients in the health and wellness industry, Notre Dame, the City of South Bend, several regional corporate hotels, and also positioning itself as the leading trusted provider for local redevelopment projects.

Through the City of South Bend, IEC received the Minority Business Development Council's small business grant. IEC is also a proud member of NIMBA, Latin America Chamber of Commerce, Christian Chamber of Commerce, Elkhart Chamber of Commerce, and DTSB.
